1. Ultrasonic device:

BUY AT: <http://www.walmart.ca/en/ip/the-victor-ultrasonic-pestchaser-rodent-repellent-m690cas/6000112370272>

PRICE: \$21.47

Emits high frequency sound waves that effectively repel rodents from protected areas. The varying intensity and frequencies of ultrasonic sound waves prevent rodents from becoming accustomed to the Victor® Ultrasonic PestChaser®. Since the sound is completely inaudible to people and non-rodent pets, a red LED light tells you the unit is working properly. The PestChaser's® are more humane than traps, safer than poisons, and virtually eliminates the need to touch disease-bearing rodents.
