

## DIY Hide & Seek Box – For Rabbits, Birds, Rats and other Small Animals

Hide & Seek Boxes can be used for all small animals and birds, and can be filled with a variety of treats appropriate to the species.

### Supplies Needed:

- 2-3 small wooden boxes from craft store/dollar store
- Ensure the wood is untreated/painted
- Pick ones that have a lid that can be flipped, pushed or pulled to open
- Treats to hide in the boxes

### Optional if making a base:

- Pet safe glue
- Wooden board

Hide treats inside the boxes for the animal to find This works even better once the boxes are glued to a base, such as a wooden board.
