How to make an Origami Caring Cat & Canine with Special Note

#beanimalsmart | animalsmart.ca

Instructions for Origami Caring Canine

step one: fold your square paper in half.

step two: fold your triangle in half to make a crease.

step three: fold in on the dotted lines to make the ears.

step four: fold in on the dotted line to make the mouth and nose.

step five: draw in the eyes and nose.

step six: with you parent's permission, share your creation on social media using #beanimalsmart.
