

Donor recognition opportunities are designed to publicly celebrate the impact of the support received and to nurture connections and build meaningful experiences between the Ontario SPCA and our supporters.

**Ontario SPCA and Humane Society Donor Recognition Tiers**

- **\$500,000+** Paw-some Protector: Donors making transformational impact for pets and people
- **\$100,000+** Fur-ever Champion: Honouring deep commitment to animals
- **\$10,000+** Top Dog Leader: Recognizing donors who provide a lifeline to animals
- **\$1,000+** Whisker Warrior: For dedicated supporters advocating for animals
- **Up to \$999** Fur-ever Friend: Celebrating donors who give with love

For one-time donations and pledge installment donations, a donor is recognized for a contribution paid to the Ontario SPCA in the year it is received.

In addition to annual recognition as outlined above, Capital Campaign donors will be recognized separately at the level of their donation commitment on a capital campaign donor wall.

**Cornwall and Region Animal Centre and Veterinary clinic Naming Opportunities**

- Animal Centre**

**\$2,500,000**

## Cornwall and Region Veterinary Clinic Naming Opportunities

Area	Gift Value	Description
Clinic Lobby	\$150,000	A welcoming area with seating for pet families to drop off and pick up their pet.
Clinic Recovery Area	\$100,000	Area for animals post-surgery to recover from anesthesia while being closely monitored by caregivers.
Surgery Suite	\$100,000	Equipped with state-of-the-art surgical equipment, the surgery suite will make possible up to 3,400 spay/neuter surgeries annually, preventing up to 50,000 potentially unwanted puppies and kittens being born every year.
Dental & X-ray Suite	\$100,000	Built and configured to make possible dental and x-ray procedures, this suite is integral to the effective support of animal care and welfare.
Medical Treatment Suite	\$100,000	This space will be used to host vaccination clinics for pets in the community, helping to reduce the spread of infectious diseases. It will also serve to meet urgent community needs when other veterinary services are unavailable.
Cat Recovery Area	\$25,000	This area provides a calm and monitored space for cats to comfortably recover following a medical procedure at the veterinary clinic.
Dog Recovery Area (3 available)	\$25,000	This area provides a calm and monitored space for dogs to comfortably recover following a medical procedure at the veterinary clinic.

## Cornwall and Region Animal Centre Naming Opportunities

Area	Gift Value	Description
Dog Adoption Wing	\$250,000	A friendly corridor where visitors can view dogs and puppies looking for their forever homes.
Cat Adoption Wing	\$250,000	A welcoming corridor where visitors can view cats and kittens looking for their forever homes.
Animal Centre Lobby	\$150,000	A large, bright and welcoming area for all animal centre visitors.
Cat Adoption and Enrichment Suite	\$75,000	A cat-friendly space set up with enrichment structures and toys to enhance cat wellness.
Meet and Greet Room	\$75,000	A private space to facilitate the important introductions between adoptive families and animals available for adoption.
Small Animal Adoption Suite	\$50,000	Visible immediately upon entering the animal centre, the space is outfitted to meet the needs of small animals. It is also designed to support adoptive families when considering providing a permanent home for these small animals.
Cat Adoption Suite (2 available)	\$50,000	Two communal adoption suites available, each with outdoor access and equipped to provide cats and kittens with optimal care, enrichment and wellness. Each suite can house up to eight adoptable felines.
Cat Rehoming Entrance	\$50,000	The entrance through which all cats and their pet parents will walk at the beginning of their rehoming journey.

## Cornwall and Region Animal Centre Naming Opportunities Continued

Area	Gift Value	Description
Dog Rehoming Entrance	\$50,000	The entrance through which all dogs and their pet parents will walk at the beginning of their rehoming journey.
Dog Adoption Suite (7 available)	\$40,000	Seven individualized dog adoption suites, each equipped with its own outdoor access for optimal dog care, enrichment and wellness while waiting for their forever new home.
Cat Assessment Area	\$35,000	Every cat, upon arrival, undergoes a thorough assessment to determine its needs and establish a personalized plan for wellness and adoption.
Dog Assessment Area	\$35,000	Every dog, upon arrival, undergoes a thorough assessment to determine its needs and establish a personalized plan for wellness and adoption.
Dog Holding Suite (3 available)	\$30,000	For dogs found wandering at large in the community, these dog-friendly suites—with individual access to outdoor areas—provide a safe, clean, and calm space for them while they await reunification with their families.
Dog Isolation Suite (3 available)	\$30,000	Three easily sanitized spaces specifically designed to care for and treat symptomatic dogs while ensuring they remain isolated from other animals in our care.
Dog Observation Suite (4 available)	\$30,000	These suites, which have access to the outdoors, are designed to provide care and wellness to dogs and puppies who are being prepared for adoption. These suites can also be used when necessary to accommodate any overflow from the Dog Adoption Suites.
Cat Observation Room	\$30,000	This space will feature six individual enclosures for cats and will be equipped to provide care and support for cats and kittens who are preparing for adoption. When needed, it can also accommodate overflow from the Cat Adoption Suites.
Animal Nutrition Preparation Area	\$25,000	Equipped and designed specifically to support daily creation and delivery of nutritional meals to meet the needs of all the animals in our care.
Animal Care Laundry Room	\$25,000	Equipped with high-use and high-volume washer and dryer units to meet the daily sanitary laundry needs to care for all the animals.
Cat Isolation Suite	\$25,000	This easily sanitized room is specifically designed and equipped to care for symptomatic cats and kittens. With nine spaces designed for cats and kittens, it provides the treatment and care they need for a full recovery, all while remaining safely isolated from healthy animals.
Animal Bathing Room	\$25,000	A space with a waterproof floor, warm water for bathing, and a non-slip surface for the animal to stand on, along with essential grooming supplies to meet the cleanliness needs of the animals in our care.
<b>Caregiver Wellness Room - RESERVED</b>	\$25,000	A caregiver space designed for staff and volunteers to enjoy group and individual activities that support our animal care mission. It's simple: happier and more fulfilled caregivers provide better care for both animals and their pet parents.
Caregiver Training Room	\$15,000	A purpose-driven space set up to support ongoing caregiver training, ensuring our volunteers and staff are always informed to deliver the best care and meet the wellness needs of our animals.

Area	Gift Value	Description
Dog Enrichment Area with Walking Path	\$500,000	The Dog Enrichment Area with Walking Path is a fully fenced, 35,616 sq. ft. space where dogs can run, play, and socialize. A 565-foot gravel path winds through grass-covered grounds with native trees and seating for comfort and reflection. Designed for both bonding and care, it offers adoptive families and wellness caregivers a calm, enriching outdoor space.
Benches	\$10,000	Three-seater benches thoughtfully placed throughout the Dog Enrichment Area, offering a space to reflect and remember, to observe and enjoy, or simply to pause for a quiet, peaceful moment.
Trees	\$5,000	Intended to create a natural landscaped environment in the Dog Enrichment Area, these trees, with varieties all native to the area, will be chosen in consideration of their ease of care, and guaranteed safe for animals. Dedication plaques may be displayed in proximity to the tree.

Please note that images of naming spaces below are conceptual renderings and do not reflect the final design or actual appearance of the areas.
